## AV AdClock Product Update

---

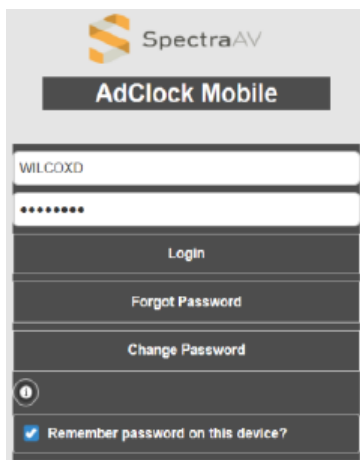

**Notice Date:**  
**03/18/2018 Release**

### AdClock Mobile

**AV AdClock** time entry capabilities have been added to mobile devices. This enables you to enter, submit, and track time through mobile devices such as iPads, iPhones, Androids, etc. Refer to the System Requirements section for hardware, software, and browser requirements.

#### What the agency needs to do

1. To access AdClock Mobile on your mobile devices, use the following URL on your browser:  
<https://av.mediaocean.com/AdClockMobileLive>
